### **Following all repairs:**

1. Labor and spare parts used in repairs will be warranted for three months from the time of repair for out of warranty repairs and for the balance of the warranty period remaining on the original warranty for in warranty repairs.
2. Parts installed in the unit become the property of the customer.
3. All faulty parts remain the property of Panasonic.

### **Following all Exchanges:**

The balance of the warranty period remaining on the original warranty, for in warranty Exchanges applies.

### **Repair estimate:**

Panasonic will provide a repair estimate for out of warranty work.

The estimate must be accepted or rejected within 2 weeks from date the estimate is provided to you. If Panasonic receives no advice from you within a further 2 weeks of our estimate being provided to you and/or you do not arrange for the collection of the product from Panasonic by that time, you acknowledge that Panasonic will become the beneficial owner of the product and you will release all rights over the product to recover or make any claim from Panasonic. Panasonic further reserves the right to dispose of the unit, if following the four-week period, you do not respond to Panasonic or arrange for the collection of the product.

Panasonic Service provides a three months warranty on work completed. This is limited to parts replaced and labor performed on the job.

## **Service Warranties**

Where a service involves the replacement of a product or part, the replaced product or part becomes Panasonic's property, and the replacement product or part becomes your property.

The replacement product or part will be in proper working order and functionally equivalent to the original product or part. The replacement product or part may not be new.

Except to the extent permitted by law the replacement product or part will be warranted for the balance of the period remaining on the warranty of the original product.

Products and/or parts presented for repair may be replaced by refurbished product or parts of the same type rather than being repaired. Products and parts that are repaired may be repaired using refurbished parts. Product repair may result in the loss of data, if the product to be repaired contains or is capable of retaining user generated data.

## **Exclusions**

The services do not cover the following:

- a. Loss of or damage to your data.
- b. Any software programs, except to the extent that is stated in these terms and conditions.
- c. Failure or damage resulting from misuse, accident, modification, unsuitable physical or operating environment, natural disasters, power outages, or improper handling or maintenance.
